"Jagruti self help group" was formed in October 2004 with 05 APL and 09 BPL members under "Swarn Jayanti Gram Swa Rojgar Yojana". They arranged a prior meeting and decided to open a Bank account .They opened a new Bank account for their group at Bank of Baroda Kathlal branch. They arranged periodical meetings and saved money, which was deposited in the Bank account of their group, the group has a total saving of Rs. 3,00,000/- till date which is used for internal lending ,the amount of internal lending is being used for their personal needs such as health care, marriages ,purchase of land and agricultural use etc. .The group had received a loan of Rs. 5,66,000/- in the December month of 2009 under "Swarn Jayanti Gram Swa Rojgar Yojana", the amount was used by the members for animal husbandry and each members of SHG bought buffalo.

The group has been given a Chaff cutter under "Swarn Jayanti Gram Swa Rojgar Yojana" as the group members didn't have any equipment for cutting Chaff and fodder now they have a Chaff cutter of their own and they can use it as per their need,

which stopped the wastage of fodder, this fodder is also healthy for animals in many ways (easily chewable) ,which increases milk production. The group has a Convergence with "Veterinary department" under which they got a "Travis" for Vaccination for their cattle.

The women of "Jagruti self help group" developed more self confidence and knowledge of other Government schemes after joining the "Self Help Group" and now they have got a financial help for their personal needs which has increased their income .This helped them to get a better "Livelihood".
