

-:: Success Story ::-

Name of Sakhimandal Mandal :-	Lotus Sakhi Mandal
Purpose of Loan :-	West to Best
Amount of Loan :-	Rs.10,00,000
Year :-	2010-11
Village :-	Dhrangdhra
Bank :-	State Bank of India
Taluka :-	Dhrangdhra
District :-	Surendranagar

Surendranagar is economical backward district in Gujarat state. Among Ten Talukas Patadi is one of the most social economical backward taluka.

in patadi ladies are going farm as agriculture laborers to help the family for earning money. The work is seasonal & gives irregular income. The ladies can not look after her children's education, her family health due to farness of their job site.

The lady members of Dhrangdhra formed Lotus Sakhimandal 11 members of this group deposited Rs.1100/- per month in State Bank of India from the balance fund the internal loan is given to required lady

member. This system is useful for improving socio economic condition of below poverty line families.

The member of this juth (mandal) buys raw material (cloth,moti,card, Board,Kodi,Aabhla,Wool(una)) After the completion of House Hold Decoration from varios places work the Lotus Sakhimandal is marketing it in each fair & other trading center.

Due to best production raw material available at low cost & at reasonable rate, excess demand the more sakhimandal

In this four mandal all the members work done more then 500 members selling & marketing section total 500 members earning Rs.1500/- per month.

From above activities of improving the income level and overall socio economic status of individual families and village people and the right support to rural poor people proved that making of successful prosucers of valuble goods and skill of rural poor people in organizing & marketing can be achived.

The rural women members provide promotion of marketing of the good market intelligence consultancy service and intituonal arrangements in Patadi.

The State Bank of India has sanctioned the loan Rs.10,00,000 to Lotus Sakhimandal through District Industrial Center, Surendranagar
