

A Success Story of Marthaben Gamit Under S.G.S.Y. Scheme

DRDA- TAPI

Hello,

I am Mrs. Martha Gamit, I am from Uchchhal, Ta. Uchchhal, Dist-Tapi and I am a Member of **JyotiSakhiMandal**. In the month of January 2008, Anganwadi Worker was came to me and talked about the **Swarnajayanti Gram SwarojgarYojana**. Whereas she asked me to join SHG and she said me that, **“you have to save only Rs. 50/- per month”**, except that she doesn't provided me any more information from her about this programme. So firstly I refused her but after that I decided to join SHG and 10 female members of my village start to saving Rs. 50/- per month in the Bank of Baroda from 28th February, 2008.

After 3 years, staff member of the Mission Mangalm came to us and inform us about scheme of hawker and asked us to apply. We applied for

that and got it. We settled up tea stall at the center of Uchchhal and start to sell. Slowly our income raised and out of that income we start internal loan for various purpose e.g., education, sickness and social functions.

In the past her family has struggled to get employment and because of that they couldn't take hygienic food, clothes and medicines, even it was difficult to provide primary education to their children; they haven't any other source of income. But now a day's they can earn and getting basic facilities easily.

This Programme has truly brings a significant changes in their lifestyle. They looking to spread this activities and want to set up better opportunities through this scheme in future.
